Thx You Notes

Good Afternoon Professor Thomas,

I wanted to personally thank you for the New York Trip. I understand it took a great deal of effort and such a time commitment from you and the other staff members to organize the activities. The hard work did not go unnoticed and the opportunities you presented are extremely appreciated and will not go to waste. Also, I want to start developing my E-Portfolio. Do you have any suggestions where I should start? Or can I come to you during your office hours for assistance? Again, Thank You!

Very Respectfully,

Lynn Pierce Jr.
