Colleagues,

Michael send the music clips below. If you have a moment now please take a listen and reply with your favorite clip. Otherwise, I will be making the decision later this morning.

No worries if you are busy. We are just under deadline now. If you wanted to view the latest batch of videos please see those notes as well.

Hope to see those who can attend at 11:30.

Hello Jennifer,

Here are the music files. I made 3 versions to give you some (limited) options. I apologize for not having more time to put into these, but at least you'll have some original music to start with. And since nothing is set in stone, so we can always build on one of these to make it better, or even start from scratch if necessary.

Also, if you don't like any of these, it certainly won't hurt my feelings if you decide to use something else in the end.

Hi Michael,  
If you'd like- you can just send the music file(s) and then come at 11:30 or we can just meet at 9a and you don't have to worry about the meeting. I know it's last minute.

Thanks again for everything

Hi Jennifer,

Hope you're doing well! I'll be able to meet you at about 9 to show you the music I have, but after that, my morning gets petty busy and I'm not really free but for a short time - probably just enough to attend the meeting you invited us to.

I'll see you tomorrow at around 9!  
Michael
