Hello Prof. Thomas and Ms. Dudley.

I want to take this time out to thank both of you for helping me with my internship at CNN. It was the best experience ever. I created, directed, produced and wrote the first ever Intern Newsroom newscast. I owe many of my successes to you both. The entire bureau is blown away with this project i created. I was able to do so, because of all i learned in prof. Thomas' class. Here is the link. I also have an audio track of me directing.
