Hi Prof. Thomas!!

I miss you so much! I saw all the great coverage of the RNC & DNC! How amazing that HUNS got to go and experience that.

I'm actually missing school 😊. I didn't realize how much I'd miss Howard.

My job is going great! I'm finally in a good swing of things and getting used to post grad life. It took a little time to get used to because I had so much extensive training, and the position has more of a PR focus. I've still been utilizing my journalism skills of speaking in front of the camera, editing, writing, doing social media, etc. I've also been getting booked for some pretty high profile speaking engagements which is very exciting!

This has been such a great experience for me, to show me that news isn't the ONLY avenue to go down. That there are other opportunities if you still want to be in front of the camera, be a storyteller, and make an impact. My horizons have been broadened and I can't wait to see where I am after this position is over.

How are things going with you?! I hearrrrrrddd you went to the MothaLand! How was the DNC?

Can we FaceTime soon?! I miss you so much!

Love you,
Erin
