Dear Colleagues,

Good News! WHUT has ordered 5 new mic flags for NewsVision, ahead of our upcoming 30-minute newscast on WHUT! We expect them next week. They will have our NewsVision logo as well as the WHUT logo.

Candy, once we receive them, I'll walk them over. We can keep the others in rotation when the others are checked out by students in Indira's or my classes. However, please be sure to keep one microphone on reserve for our White House journalists.. that means we will have 4 in rotation and 1 on reserve for our White House reporters (all are from NewsVision)

Hopefully we can next get sponsorship for our HU News Service mic flags next semester!

Jennifer C. Thomas
