Dear Jennifer,

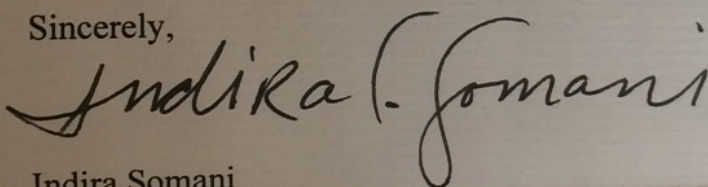

Thank you so much for participating in the Howard Career Day/Job Fair panel called "Landing a Job in TV."

I appreciated the examples you shared, but particularly how you formed "Sistahs of CNN." It was important for students to hear and learn the value of support systems with network television.

We are lucky to have you at Howard given your level of experience in television.

Thank you for taking the time out of your day to be on this panel.

Sincerely,

Indira Somani
