

NEWSVISION ON WHUT

The entire TRT for the newscast is 26:46

Your producer Danielle S. and I have looked through all of the stories you've produced this semester to put together a great rundown for the newscast.

- ✚ All should have received the **RUNDOWN** access via email.
- ✚ All scripts should be written and placed in **GOOGLE DOCS** and PRINTED AT BEGINNING OF CLASS.
- ✚ All elements should be ready on an external hard drive at the start of class.
- ✚ A TELEPROMPTER copy of your segment should be on an external hard drive and ready to load in the Tricaster at the start of class.
- ✚ I will have to transfer them to my hard drive and give to WHUT on Tues, Nov 22.

GROUPS:

Each group will be responsible for a block in the show. **Each group have a segment producer** who is the point person for the group, and should sign off on every script, element, graphic, etc. in the block.

- ✚ A- Block: Segment Producer: Cassidy Sparks / other members: Cache McClay, Brittany Webb
- ✚ B- Block: Segment producer: Miesha Miller/ other members: Danielle Solomon, Danielle Ledbetter
- ✚ C- Block: Segment Producer: McKenzie Marshall/ other members: Ashley Guster, Imani LaTortue
- ✚ D- Block: Danielle S & Prof. Thomas

ELEMENTS

VOSOTS: Each VOSOTVO will have 2 elements: A VO AND A SOTVO.

The **VO** – is the VO leading up to the SOT on one clip

The **SOTVO**- will have the SOT and the VO tag on the same clip

The **SLUG** should match what is in the rundown for that story.

TEASES

Please use the notes and examples from class in writing the tease for the next block. **You may want to use VONAT in your tease

PROMO

Each group's promo will run in the show. Please make sure your promo is ready for air.

Each group is responsible for putting its promo in the break following your block.

REPORTER SEGMENTS ON SET

Please review the rundowns very carefully. We need each page scripted, including anchor lead-ins, reporter tosses, reporter lead-ins, outcues for vosots and pkgs, tags, teases, and every other script in the newscast.

YOUR GROUP'S FINAL NEWSCAST IN NEWSVISION STUDIO

- ✚ Each group will use the block assigned to producer its final newscast.
- ✚ You will need to add a HELLO and UMBRELLA TEASE to your segment for the group's NewsVision Studio Newscast.
- ✚ We will plan to record those TUES, NOV 22 & TUES NOV 29.
- ✚ We will have you present your FINAL EPORTFOLIOS on TUES, NOV 29.
