Good Morning!
Thanks for the feedback!

A reminder- NewsVision represents all of Howard, not just SOC. The thing I'm most interested in is the sizing of the design. We will either make sure it is compliant with university regulations, or find another design that works (though we did use the HU logo for Midterm Election Coverage)

Do you have any other students/people who can design a logo within the next week that we can consider? Please send him/her my way if so. We will have to move quickly.

Thanks so much,

at: http://www.coas.howard.edu/graphic_standards.html.

I may suggest that we come up with a Newsvision logo that can sit next to the SOC logo on the mic flag.

Nigel,

Can any or all of these logos be printed for the flag?

Subject: NewsVision Logo

Hello Colleagues,

Here are four versions of the NewsVision logo created by student Alexis Holliday. She is the student who also helped with our mic flags on Election day.

I've asked her to work on the logo and am awaiting a final update.

well as for our graphics on the newscast and the mic flags.

I hope to reach out to two more students this week. Do any of you know students with a graphic design minor/experience? Please advise if so!!

Thanks,
JT
