Hi Professor!

I hope you're having an amazing start of your summer, and I just wanted to check in with you before I leave D.C.

I start work on June 11th, and to be quite honest, I'm so excited, but I'm also sooo terrified. Is post grad anxiety normal? 😂 I think it might just be...new life jitters that I'll completely get over once I get to LA next week.

I just wanted to thank you again for everything you've done for me. You have been the most influential instructor to me since I stepped foot at HU! If I really make it, I'm going to repay you in such an incredible way because you deserve it!

Love you!

Courtney Tate
